The Gloomies

[Verse 1]

I've got you now
Let's both get out
Let's settle down
At least for now

[Chorus]

Ahhahhahhahhahh
Ahhahhahhahhahhahh
Ahhahhahhahhahh
Ahhahhahhahhahhahh

[Verse 2]

You've got me now
Both windows down
We'll drive around
Till time slows down

[Chorus]

Ahhahhahhahhahh
Ahhahhahhahhahhahh
Ahhahhahhahhahh
Ahhahhahhahhahhahh

[Bridge]

This life is so short
Follow you backwards
We'll ride through the snow
Chasing the afterglow

[Musical Break]

[Bridge]

This life is so short
Follow you backwards
We'll ride through the snow
Chasing the afterglow

[Outro]

Life is so short
Follow you backwards
These eyes got me floating
Everyone's after
