

Look At Me!

XXXTENTACION

I'm like bitch, who is your mans?
Can't keep my dick in my pants
My bitch don't love me no more
She kick me out I'm like vro
That bitch don't wanna be friends
I gave her dick, she amen
She put her tongue on my dick
Look at my wrist, about 10
Just got a pound of that boof
Brought that shit straight to the booth
Tommy my Hilfiger voots
She said wanna fuck bitch, I do
You put a gun on my mans
I put a hole in your parents
I just got lean on my ksubis
I got an uzi no uzi
Fuck on me, look at me, Ay
Fuck on me, yeah, look at me, ay
Look at me, look at me, yeah
Fuck on me, yeah
Look at me, yeah, fuck on me
Look at me, fuck on me, yeah
Look at me, fuck on me
Yeah, ay I took a white bitch to starbucks
That lil bitch got her throat fucked
I like to rock out I'm misfit
My emo bitch like her wrist slit
Curly hair bitch like I'm Corbin
Got like 3 bitches, I'm mormon
Skeet on your main bitch's forehead
Don't want your pussy, just want head
Look at me, fuck on me
Look at me, fuck on me
Look at me, fuck on me
Look at me, yeah Look at me, fuck on me
Look at me, fuck on me
Look at me, fuck on me
Look at me, yeah
