

Ain't Always the Cowboy

Jon Pardi

 n settin' on goodbye
 Yeah, it's hard to believe
It wasn't me tryin' to leave this timeIt ain't always the cowboy
 That ain't got a lot of hang around
 Ain't got no settle down in their boots
 Gone's just what they do
 That restless, runnin', searchin' for somethin'
 Leavin' love in the dust of a midnight Chevrolet
 It ain't always the cowboy that rides away
 I've never seen over from this side
 Never heard lonely get this quiet
 Still I can't keep from smilin'
'Cause damn that girl can flyIt ain't always the cowboy
 That ain't got a lot of hang around
 Ain't got no settle down in their boots
 Gone's just what they do
 That restless, runnin', searchin' for somethin'
 Leavin' love in the dust of a midnight Chevrolet
It ain't always the cowboy that rides awayA tumbleweed heart, chasin' that wind
 Goin' too far, wherever that is
 It ain't always the cowboy
 That ain't got a lot of hang around
 Ain't got no settle down in their boots
 Gone's just what they do
 That restless, runnin', searchin' for somethin'
 Leavin' love in the dust of a midnight Chevrolet
It ain't always the cowboy that rides awayRides away
 It ain't always the cowboy
