

Without You

Lana Del Rey

Everything I want I have
Money, notoriety and rivas
I even think I found God
In the flash bulbs of the pretty cameras
Pretty cameras, pretty cameras
Am I glamorous? Tell me, am I glamorous? Hello? Hello?
C-can you hear me?
I can be your China doll
If you want to see me fall
Boy, you're so dope
Your love is deadly
Tell me life is beautiful
They all think I have it all
I'm nothing without you
All my dreams and all the lights mean Nothing without you Summertime is nice and hot
And my life is sweet like vanilla is
Gold and silver line my heart But burned into my brain are these stolen images
Stolen images, baby, stolen images Can you picture it?
Baby, the life we could've lived? Hello? Hello?
C-can you hear me?
I can be your China doll
If you like to see me fall
Boy, you're so dope Your love is deadly
Tell me life is beautiful
They all think I have it all
I'm nothing without you
All my dreams and all the lights mean
Nothing without you
We were two kids, just tryin' to get out Live on the dark side of the American dream
We would dance all night, play our music loud
When we grew up, nothing was what it seemed Hello? Hello?
C-can you hear me? I can be your China doll
If you like to see me fall
Boy, you're so dope
Your love is deadly
Tell me life is beautiful They think that I have it all
I'm nothing without you
All my dreams and all the lights mean
Nothing without you
Hello? Hello?
C-can you hear me?
I can be your China doll

If you like to see me fall
Boy, you're so dope
Your love is deadly
Tell me life is beautiful
They think that I have it all
I've nothing without you
All my dreams and all the lights mean
Nothing without you
All my dreams and all the lights mean
Nothing if I can't have you
