

# Comfortable

Nick Jonas

Cause my faith in you is very comfortable for me  
My faith in you, baby, is very comfortable for me  
Never trust a door 'til it's open  
Never trust a heart 'til it's a broken  
I know you're the one who can break the mold  
Iverson was like, told me practice  
I don't need a mic cause the fact is  
I'm living my life, it's hot and then cold, cold  
So who are you catering to?  
Who you fucking with when there ain't nobody fucking with you?  
I told you I knew you before you even knew that you were you  
Yeah I know you better than that, I know you better...  
Cause my faith in you is very comfortable for me  
My faith in you, baby, is very comfortable for me  
I'm blazing through-ough-ough-ough  
Until you're comfortable for me  
My faith in you is very comfortable for me  
Never met a beauty queen I didn't like  
It doesn't mean it's alright and you gotta wife  
I'm trying not to take my time, cause these ten's got friends  
And I'm just tryna kick it with the girl in the back  
Who doesn't give a damn  
If I'm J from Brooklyn or just in the band  
It's all the same, it's all the same in her eyes  
Well who are you catering to?  
Who you fucking with when there ain't nobody fucking with you?  
I told you I knew you before you even knew that you were you  
Yeah I know you better than that, I know you better...  
Cause my faith in you is very comfortable for me  
My faith in you, baby, is very comfortable for me  
I'm blazing through-ough-ough-ough  
Until you're comfortable for me  
My faith in you is very comfortable for me  
Not a game; not the game that...talk about,  
it's easy to sum it up when you just talk about practice... we're sitting here, I'm supposed to be  
the franchise player, and we're in here talking about practice.  
I mean, listen, we talking about practice.  
Not a game, not a game, not a game, we talking about practice.  
Not a game; not the game that I go out there  
and die for and play every game like it's my last,  
not the game, we're talking about practice, man.  
I mean, how silly is that? Man we're talking about practice. I know I'm supposed to be there, I  
know I'm supposed to lead by example, I know that. And I'm not shoving it aside like it don't  
mean anything. Not the game, not the game, I'm not shoving it aside, you know, like it don't

mean anything...Cause my faith in you is very comfortable for me  
My faith in you, baby, is very comfortable for me  
I'm blazing through-ough-ough-ough  
Until you're comfortable for me  
My faith in you is very comfortable for me
