

# This Afternoon

## Nickelback

Lookin' like another Bob Marley day  
Hittin' from the bong like a diesel train  
And I'm down with hangin' out this afternoon We've got weeds in the backyard 4 feet tall  
Cheech and Chong prob'ly woulda' smoked 'em all  
So I'm out on the couch this afternoon Beer bottles layin' on the kitchen floor  
If we take 'em all back we can buy some more  
So I doubt we'll go without this afternoon You better hang on if you're taggin' along  
Cause we'll be doin this 'till 6 in the mornin'  
Nothin' wrong with goin' all night long  
Tough to put the brakes on,  
Doesn't matter when you'd rather  
Get up, and go out  
Me and all my friends  
We drink up, We fall down  
And then we do it all again  
Just sittin around, hangin out this afternoon Landlord said I should buy a tent  
But he can kiss my ass cause I payed the rent  
So I doubt he'll kick me out this afternoon Down on the corner in a seedy bar  
Juke box crankin' out the CCR  
Had a few to Suzy Q this afternoon Don't wanna wristwatch or an alarm clock  
To see what time it is  
From the moment I wake up  
I just love being with my friends  
We barely get by, but have the best times  
And hope it never ends  
We drink all day till we fall down  
So we can do it all again  
It's not the human walk  
It's the human race  
If you aint livin on the edge  
You're takin' too much space  
So I doubt I'll figure out  
Just what to do  
'Bout to kick it around  
Hangin out this afternoon Get up, and go out  
Me and all my friends  
We drink up, we fall down  
And then we do it all again Just kickin' around, hangin out this afternoon  
Sittin around hangin out this afternoon  
Just kickin' around, hangin out this afternoon  
Just sittin around hangin out this afternoon  
Just kickin' around, hangin out this afternoon

Just sittin around hangin out this afternoon
