

# Miss Sweeney

Weezer

[Verse 1]

Hi, hello, Miss Sweeney, could you please come in my office for a second?  
I'm headin' home for the day and I thought it'd be good for you and me to check in  
I met with a gal from expo and they do have the "slab" cabinets in white  
She thinks we can take measurements down at the site

[Pre-Chorus 1]

If we do that we'll be just fine, Miss Sweeney  
That's all I got to say to you at this time, Miss Sweeney  
Actually, there's one other thing on my mind

[Chorus]

Girl, you make the rainclouds disappear  
The sun always shines when you're near  
I'm waiting, until you love me  
Sweeney

[Verse 2]

I'm so sorry, Miss Sweeney, I don't know where that came from  
I think I was overcome by a spontaneous emotion  
Anyway, the cash deposit of five thousand dollars  
Will need to be sent to the property owner tomorrow

[Pre-Chorus 2]

If there are any problems with the deposit or contract, don't be afraid to holler  
I don't wanna have to approve each stinkin' dollar that we borrow  
Ah, forget it!

[Chorus]

Miss Sweeney  
Girl, you make the rainclouds disappear  
The sun always shines when you're near  
I'm waiting, until you love me

[Bridge]

Miss Sweeney, I got to admit the truth  
I am totally head-over-heels in love with you  
Everyday you come to the office lookin' fine  
Navy business suit clingin' tightly to your spine  
You ask me if I'm ready to get down to work

Sweeney, baby, I'm ready, be my...

[Chorus]

Girl, you make the rainclouds disappear  
The sun always shines when you're near  
I'm waiting, until you love me...

[Outro]

Girl, you light the skies of my life  
I swear, I will make you my wife  
I'm waiting, until you love me  
Miss Sweeney  
Miss Sweeney
