

# Low Are the Punches

Gavin Clark

Are you a gambler?  
You gonna take a chance on this life?  
Are you a strangler?  
You gonna kill it all?

Are your friends and your lovers, your  
God-fearing brothers all gone?  
Is this all you got left  
But you don't see it lasting that long?

Low, low, low...  
Low are the men and so hard are the blows  
Low, low, low...  
Low are the punches from you

Are you a whirlwind?  
Do you suck in everything around you?  
Are you a monster?  
Do you destroy it all?  
Are your friends and your lovers, your  
God-fearing brothers all gone?  
Is this all you got left  
But you don't see it lasting that long?

Low, low, low...  
Low is the man and so hard are the blows  
Low, low, low...  
Low are the punches... from you

Low, low, low...  
Low is the man, so hard are the blows  
Low, low, low...  
Low... are the punches... from you
