

# Like a Sad Song

John Denver

Usually in the morning  
I'm filled with sweet belonging  
And everything is beautiful to see  
Even when it's raining  
The sound of heaven singing  
Is simply joyful music to me

Sometimes I feel like a sad song  
Like I'm all alone without you

So many different places  
A million smiling faces  
Life is so incredible to me  
Especially to be near you  
And how it is to touch you  
Oh, paradise was made for you and me

Sometimes I feel like a sad song  
Like I'm all alone without you

I know that life goes on just perfectly  
Everything is just the way that it should be  
Still there are times when my heart feel like breaking  
And anywhere is where I'd rather be

Oh, and in the nighttime  
I know that it's the right time  
To hold you close and say "I love you so"  
To have someone to share with  
And someone I can care with  
And that is why I wanted you to know

Sometimes I feel like a sad song  
Like I'm all alone without you

Sometimes I feel like a sad song  
Like I'm all alone without you

Without you
