You Just Don't Know It

[Jonas Brothers]

(1st Verse)
You just don't know it It's getting hard to say hello You just don't know it I'm on the edge of crossing
the line I don't want to blow it, or show it Before you know you're mine You just don't know it(Chorus)
Oh, you won't see me break Won't make that mistake Oh no I'll just walk away There too much at stake
right now I go on and on Singing this song about you And that's what's wrong with this song(2nd Verse)
Can you feel it? In the way I look at you Girl, can you hear it? I'm crying out inside I don't want to
see you Be near you You're a million miles too close(Repeat Chorus)(Bridge)
You don't know the way I feel So I'll stay alone
(Repeat Chorus)
