

Sweet Child O' Mine

Vitamin String Quartet

Sweet Child O' Mine

She's got a smile that it seems to me Reminds me of childhood memories Where everything
Was as fresh as the bright blue sky Now and then when I see her face She takes me away to that
special place And if I'd stare too long I'd probably break down and cry

Sweet child o' mine Sweet love of mine

She's got eyes of the bluest skies As if they thought of rain I hate to look into those eyes And
see an ounce of pain Her hair reminds me of a warm safe place Where as a child I'd hide And
pray for the thunder And the rain To quietly pass me by

Sweet child o' mine Sweet love of mine

Where do we go Where do we go now Where do we go Sweet child o' mine
