

Heavy Artillery

Excision & Downlink

[Intro: Messinian]

Heavy... (heavy, heavy, heavy...)
Worldwide... (worldwide, worldwide, worldwide...)
I'm a problem.. (problem, problem, problem)
Brrrat! (brrrat, brrrat, brrrat, brrrat...)

[Hook: Messinian]

Heavy on the hip, motherfucker come get some!
Get some!
Never caught sleepin', heavy artillery

[Verse 1: Messinian]

Kill to infinity
The bass line blaze up your vicinity
You're in my way - here's a special delivery
UPS to your chest - artillery
Ammo for days, we got tons
Dubstep attack leave your squad undone
Blowing up your spot, leave your fucking ears numb
Heavy on the hip, motherfucker come get some!

[Hook: Messinian]

Get some!
Never caught sleepin' heavy artillery! ('tillery, 'tillery...)

[Interlude: Messinian]

Heavy... (heavy, heavy, heavy...)
Brrrat! (brrrat, brrrat, brrrat, brrrat...)

[Hook: Messinian]

Heavy on the hip, motherfucker come get some!
Get some!
Never caught sleepin', heavy artillery

[Verse 2: Messinian]

Kill to infinity
The bass line blaze up your vicinity
You're in my way - here's a special delivery
UPS to your chest - artillery
Ammo for days, we got tons

Dubstep attack leave your squad undone
Blowing up your spot, leave your fucking ears numb
Heavy on the hip, motherfucker come get some!

[Hook: Messinian]
Get some!
Never caught sleepin', heavy artillery

[Outro: Messinian]
I'm a problem.. (problem, problem)
Brrrat! (brrrat, brrrat, brrrat, brrrat)
