

Dying for an Angel

Avantasia

You're awake in your darkest dream
I have come for you
And nobody can hear you scream
When I reach for you Don't you remember their feet on your face
Before they have carved you in stone
And don't you remember your sweat and your pain When you were drawn to the bone
When you were left all alone Living on a dream
Dying for an angel
Reach out, waiting for a miracle
No sign of wings, as you turn your back on me
Living on a dream
Lonely, cold and dire
Head up, feet down in the fire
Giving till you're gone
Dying for an angel everyday Where do we go from the apogee
What do we leave behind
And how will I stand what I'll have to see
This reflection of mine Collateral damage, your sacrifice
Gotta learn to fly, unlearn to fall
Gotta tear down the walls of love and lies
You have come on your own
You will go on all alone Living on a dream
Dying for an angel
Reach out, waiting for a miracle
No sign of wings, as you turn your back on me
Living on a dream
Lonely, cold and dire
Head up, feet down in the fire
Giving till you're gone
Dying for an angel everyday (Living on a dream
Dying for an angel
Reach out, waiting for a miracle
No sign of wings, as you turn your back on me) Living on a dream
Dying for an angel
Reach out, waiting for a miracle
No sign of wings, as you turn your back on me
Waiting for a miracle Living on a dream
Lonely, cold and dire
Head up, feet down in the fire
Giving till you're gone
Dying for an angel everyday Living on a dream
Living on a dream

Dying for an angel
Reach out, waiting for a miracle
No sign of wings, as you turn your back on me
Back on me
Living on a dream
Lonely, cold and dire
Head up, feet down in the fire
Giving till you're gone
Giving till you're gone
Dying for an angel everyday
