

# What's My Age Again?

[blink-182](#)

[Verse 1: Mark Hoppus]

I took her out  
It was a Friday night  
I wore cologne  
To get the feeling right  
We started making out  
And she took off my pants  
But then I turned on the TV

[Chorus: Mark Hoppus with Tom DeLonge background]

And that's about the time she walked away from me  
Nobody likes you when you're 23  
And are still more amused by TV shows  
What the hell is ADD?  
My friends say I should act my age  
What's my age again?  
What's my age again?

[Verse 2]

Then later on  
On the drive home  
I called her mom  
From a payphone  
I said I was the cops  
And your husband's in jail  
This state looks down on sodomy

[Chorus]

And that's about the time that bitch hung up on me  
Nobody likes you when you're 23  
And are still more amused by prank phone calls  
What the hell is call ID?  
My friends say I should act my age  
What's my age again?  
What's my age again?

[Chorus]

And that's about the time she walked away from me  
Nobody likes you when you're 23  
And you still act like you're in freshman year

What the hell is wrong with me?  
My friends say I should act my age  
What's my age again?

[Outro]

(What's my age again?) That's about the time that she broke up with me  
(Please stay with me) No one should take themselves so seriously  
(Please stay with me) With many years ahead to fall in line  
(Please stay with me) Why would you wish that on me?  
(Please stay) I never wanna act my age  
(With) What's my age again?  
(Me) What's my age again?
