

# You Got Me

G-Eazy

[Intro]

Yee! Yee!

[Hook]

Came with my whole gang  
20 of us walked up  
Fuck you mean you need to see ID?  
What you mean?  
Bitch you got me fucked up  
Have the owner come and get me  
Talkin' shit, you tryna start what?  
Better have the bottles ready  
If not, bitch you got me fucked up  
Bitch you got me fucked up  
Bitch you got me fucked up

[Verse 1]

Spillin' drinks on my retros  
Chill, chill you makin' a mess hoe  
As I take a look down, they all scuffed up  
I'ma tell 'em like, bitch you got me fucked up  
Who got the blow? Shit, I'm tryna buy  
Fuck that, this shit ain't even get me high  
And my dealer got the drugs  
But he on some bullshit, bitch you got me fucked up  
Where the fuck's my other bottle though?  
The DJ is actin' like a hoe  
You ain't got no G in your Serato hoe?  
(You ain't got no fuckin' Eazy?)  
Bitch you got me fucked up  
I walk up and say "Bitch you got me fucked up"  
Bitch you got me fucked up

[Hook]

Came with my whole gang  
20 of us walked up  
Fuck you mean you need to see ID?  
What you mean?  
Bitch you got me fucked up  
Have the owner come and get me

Talkin' shit, you tryna start what?  
Better have the bottles ready  
If not, bitch you got me fucked up  
Bitch you got me fucked up  
Bitch you got me fucked up

[Verse 2]

No one saw me doin' this  
People can't decide how they're viewin' this  
I don't know, Gerald wouldn't do this shit  
Say what? Bitch you got me fucked up  
She keeps actin' like she's tryna fuck  
Took her home just to find out what?  
Fuck you mean it's that time of month?  
(Gotta be fuckin' kiddin' me)  
Say what? Bitch you got me fucked up  
Uh, I'm doin' 60 in a 35  
Uh, I'm in the Rari, I'm just tryna drive  
Cops pull me over, say, "Sir are you drunk or high?"  
I say, "fuck the fuck off"  
Bitch you got me fucked up  
Say what? Bitch you got me fucked up  
Bitch you got me fucked up

[Hook]

Came with my whole gang  
20 of us walked up  
Fuck you mean you need to see ID?  
What you mean?  
Bitch you got me fucked up  
Have the owner come and get me
