

# On My Own

Trevor Daniel

Baby, I been stressed

And if I don't move on, I think I'll be dead

Left me off to the side, lately, I been a mess

I don't need your love

Thinking 'bout how you gone, I don't really miss you no more

I don't really miss you at all

I don't really miss how you walk, I don't really miss how you talk

Whenever you called when I needed someone

I'm better by myself

I don't need you, don't need nobody else

Girl, I'm good, yeah, I'm good

Yeah, I'm good, yeah, I'm

Always down for you, I was down

Always down for you, left me cold

When I was down for you, I've been down

I've been down for you

All I do is play back to the words you said and the messages

And if I don't move on, think I'll end up dead

I keep hearing your voice in the back of my head

Everything you left, but I moved on

Ready to bat, already gone

I don't need you back, baby, moved on

Not turning back, I'm on my own

And I'm fine with that

Yeah, I'm good on my o-own

Yeah, I'm good on my o-own

Yeah, I'm good on my o-own

Yeah, I'm good on my o-own

I remember

Never thought that I'd ever be without you

Now you gone and I'm left here without you

I don't need your love anyway

I was down, always down for you

I was down, always down for you

Left me cold, when I was down for you

I've been, I've been down

All I do is play back to the words you said and the messages

And if I don't move on, think I'll end up dead

I keep hearing your voice in the back of my head

Everything you left, but I moved on  
Ready to bat, already gone  
I don't need you back, baby, moved on  
Not turning back, I'm on my own  
And I'm fine with that

I'm on my o-own  
I'm all on my o-own  
Already gone, not turning back  
On my own
