

# THROWBACK

## HARDY

[Verse 1]

I swear this whole wide world's stuck in fast forward  
Keep up or get left behind  
We're like a tape, rewindin' in the dashboard  
We like to ride on the retro side  
Stuck inside a 1990-somethin' kinda year  
It ain't just that Blue Ribbon beer

[Chorus]

We like to throwback some lightning in a jar  
Payin' cold cash like them good old days  
Throw the bucket seats back in that old Skylark  
Throw it in park in the dark and in the bars we play a little  
Don't Rock the Jukebox on the jukebox then moonwalk  
And boot stomp and throw back kicks  
Yeah, we do what we do and we don't care if it's cool  
Might be a little old school but it is what it is and it's

[Verse 2]

Throwback like a fish that ain't keeper  
Like a not-a-home-team home run in the bleachers  
Sold on it like that Grundy county auctioneer  
Yeah, it ain't only on Thursday's out here

[Chorus]

When we throwback some lightning in a jar  
Payin' cold cash like them good old days  
Throw the bucket seats back in that old Skylark  
Throw it in park in the dark and in the bars we play a little  
Don't Rock the Jukebox on the jukebox then moonwalk  
And boot stomp and throw back kicks  
Yeah, we do what we do and we don't care if it's cool  
Might be a little old school but it is what it is and it's throwback

[Post-Chorus]

Yeah, it's throwback  
Yeah, that's right

[Chorus]

We like to throwback some lightning in a jar

Payin' cold cash like them good old days  
Throw the bucket seats back in that old Skylark  
Throw it in park in the dark and in the bars we play a little  
Don't Rock the Jukebox on the jukebox then moonwalk  
And boot stomp and throw back kicks  
Yeah, we do what we do and we don't care if it's cool  
Might be a little old school but it is what it is and it's throwback

[Outro]  
(Like a fish that ain't a keeper)  
Yeah, it's throwback  
(Like a not-a-home-team home run in the bleachers)  
Yeah, that's right  
(Stuck inside a 1990-somethin' kinda year)  
Yeah, it's throwback
