ALIVE IN MY COFFIN

JUMEX

[Intro]
Woah, oh, oh

[Chorus]
Alive in my coffin
Try to die, sorrow
Try to die, sorrow
Won't see you tomorrow
I'll be dead
Alive in my coffin
Try to die, sorrow
Try to die, sorrow
Won't see you tomorrow
I'll be dead

[Pre-Chorus]
You can't complain when I'm hurt
Cuttin' up my veins
Music in the back, listen to Cobain (To Cobain)
Blow in the back, that's my cocaine, my cocaine (My cocaine)
Can't complain when I'm hurt
Cuttin' up my veins (My veins)
Music in the back, listen to Cobain
Blow in the back, that's my cocaine, my cocaine

[Chorus]
Alive in my coffin (Alive in my coffin)
Try to die, sorrow (Try to die, sorrow)
Try to die, sorrow (Try to die, sorrow)
Won't see you tomorrow (Won't see you tomorrow)
I'll be dead
Alive in my coffin
Try to die, sorrow (Try to die, sorrow)
Try to die, sorrow (Try to die, sorrow)
Won't see you tomorrow (Won't see you tomorrow)
I'll be dead

[Bridge]
I'm trying (I'm a sad boy)
Said, I'm trying, woah (This shit, I don't enjoy)

Said, I'm trying

[Verse]
I keep on crawling, try to survive
No, I won't make it, I know I will die
Girl, I will see you in the afterlife (In the afterlife)
Then you'll be mine, then you'll be mine
It's hard not to miss this
Hope me the best wishes
Just listen, baby
Just listen, baby

[Pre-Chorus]
You can't complain when I'm hurt
Cuttin' up my veins
Music in the back, listen to Cobain
Blow in the back, that's my cocaine, my cocaine
You can't complain when I'm hurt
Cuttin' up my veins
Music in the back, listen to Cobain
Blow in the back, that's my cocaine, my cocaine

[Chorus]
Alive in my coffin (Alive in my coffin)
Try to die, sorrow (Try to die, sorrow)
