

Don't Wanna Dance Alone

Fifth Harmony

Calling all the girls
There's an SOS tonight, let's have some fun
One hundred percent
Every single chase somehow these days are gone, yeah There's gonna be a million faces up in
this room ooh
But the only one who gets my attention is you, you I got my best on and I feel like dancing all
night long
Nothing's gonna stop me
Oh but I want
So baby come and get me, cause I don't wanna dance alone Oh it's been so long
Thinking 'bout the feeling of your arms wrapped around my body
It's what I want
So baby come and get me, cause I don't wanna dance alone
And on the floor
I can feel you staring at me across the room, ooh
Whatcha waiting for
All I want is you so come and make a move I see a million silver lights up in this room, ooh
I wanna be the one who gets the attention from you, oh I got my best on and I feel like dancing
all night long
Nothing's gonna stop me
Oh but I want
So baby come and get me, cause I don't wanna dance alone Oh it's been so long
Thinking 'bout the feeling of your arms wrapped around my body
It's what I want
So baby come and get me, cause I don't wanna dance alone
If you come in close
Babe I won't say no
Baby all I want is you
If you move too slow
Then you'll never know
All the things that we could do If you come in close
Babe I won't say no
Baby all I want is you
If you move too slow
Then you'll never know
All the things that we could do I got my best on and I feel like dancing all night long
Nothing's gonna stop me
Oh but I want
So baby come and get me, cause I don't wanna dance alone Oh it's been so long
Thinking 'bout the feeling of your arms wrapped around my body
It's what I want
So baby come and get me, cause I don't wanna dance alone I don't wanna dance alone

I don't wanna dance alone
