

# Some Days Are Diamonds (Some Days Are Stone)

**John Denver**

When You asked how I've been here without you  
I'd like to say I've been fine and I do.  
But we both know the truth is hard to come by  
And if I told the truth, that's not quite true  
Some days are diamonds some days are stones  
Sometimes the hard times won't leave me alone  
Sometimes a cold wind blows a chill in my bones  
Some days are diamonds some days are stones.  
Now the face that I see in my mirror  
More and more is a stranger to me  
More and more I can see there's a danger  
In becoming what I never thought I'd be  
Some days are diamonds some days are stones  
Sometimes the hard times won't leave me alone  
Sometimes a cold wind blows a chill in my bones  
Some days are diamonds some days are stones.  
Some days are diamonds some days are stones  
Sometimes the hard times won't leave me alone  
Sometimes a cold wind blows a chill in my bones  
Some days are diamonds some days are stones.
