'Cause if time can't wait then

No, I sure can't wait
Not todayWe are the Now Generation
We are the Generation Now
This is the Now Generation
This is the Generation NowI want money
I want cold hard cashI'll take your dollar and your Euro
And go have a blast
So take your day and your credit
And stick it up your ass
And do it now!I want it now!
Big money, give me mo' money

(Now!)
Now!Fast, rapido
Really quick, like torpedo"Need for Speed" is my credo
You need to feed this negrito
Send it by your brother Bolt (see note below)
Rapid like a thunderbolt
Activated, rock the boat
Just ask Barack who brought the hope to
Now!It was a Now Generation
And I just can't wait
I need it immediately
And I just can't wait
I want it immediately
'Cause if time can't wait then
I sure can't wait
I ain't got no patience
No, I just can't wait
Not again
Expediate
No time for procrastination
Expediate
