Dreamin'

[Weezer](#)

[Chorus 1]
I'm dreaming in the morning
I'm dreaming all through the night
And when I'm dreaming I know that it's all right
Woo-hoo-hoah
I'm dreaming in the evening
Dreaming all through the day
And when I'm dreaming I know that it's okay
Woo-hoo-hoah

[Verse 1]
Daddy says I got to pay some bills
So I can learn to be responsible
Someday I'll have a family of my own
And they will need for me to be full grown

[Chorus 1]
I'm dreaming in the morning
I'm dreaming all through the night
And when I'm dreaming I know that it's all right
Woo-hoo-hoah
I'm dreaming in the evening
Dreaming all through the day
And when I'm dreaming I know that it's okay
Woo-hoo-hoah

[Verse 2]
Teacher says I got to learn some facts
So I can make it in the Widener Stacks
These are days that will define my life
I shouldn't waste them on these friends of mine
But oh, I got to be a big boy
(Because I really want a chance)
Whoa, I got to pick up my toys
(Because I really want a chance)
When I start to feel the feeling coming over me
(I really want a chance)
I soon forget all about responsibility
(I really want a chance)
I walk around in a wide-awake daydream

(I really want a chance)
Things are better out here than they might seem
There are bluebirds in the meadow
And the bees are flying around
And the goslings at the river
At a loss so far from the ground

[Chorus 2]
I am running through the meadow
And the sun is shining on me
I am singing, my voice is ringing
I can sing so loud

[Verse 3]
And the angels in the heavens
They are wondering
Why am I so glad?
Why am I so glad?
Why am I so?
Why am I so?

[Chorus 2]
I am running through the meadow
And the sun is shining on me
I am singing, my voice is ringing
I can sing so loud

[Chorus 1]
I'm dreaming in the morning
I'm dreaming all through the night
And when I'm dreaming I know that it's all right
Woo-hoo-hoah
I'm dreaming in the evening
Dreaming all through the day
And when I'm dreaming I know that it's okay
Woo-hoo-hoah

[Outro]
I don't want to get with your program
I don't want to get with your program
I don't want to get with your program
Take back the love
