

# Visions (feat. RBBTS)

## Lane 8

Left a light on for you  
Silently hoping you  
Come back home  
SilenceOnly you can fix me  
You  
Losing you, goes on and on  
MazeYou won't see me  
You won't see me  
You won't see me  
You won't see me  
I see you
