

Lost in the Fire

[Verse 1]

I wanna fuck you slow with the lights on (Lights on, lights on, lights on)
You're the only one I've got my sights on (Sights on, sights on, sights on)
Type of sex you could never put a price on (Price on, price on, price on)
I'll take it off, you're the one I'll roll the dice on (Dice on, dice on, dice on)
And I just want a baby with the right one
(I just want a baby with the right one)
'Cause I could never be the one to hide one
(I could never be the one to hide one)

[Pre-Chorus]

And we lost a lot of things in the fire
So it took a year for me to find out (Find out, find out)

[Chorus]

I can't lose you, babe (I can't lose you)
I can't lose you, babe (I can't lose you, babe)
I can't lose you, babe (I can't lose you, babe)

[Verse 2]

I'm tired of being home alone (Home alone)
I used to have a girl a day (Girl a day)
But I want you to stay (I want you to stay, hey)
You said you might be into girls (Into girls)
Said you're going through a phase (Through a phase)
Keeping your heart safe (Keepin' your heart safe, oh)
Well, baby, you can bring a friend (Bring a friend)
She can ride on top your face (Top your face)
While I fuck you straight (While I fuck you straight, yeah)
