

# Stole the Show (feat. Parson James)

Kygo

Darlin', darlin'  
Oh, turn the lights back on now  
Watchin', watchin'  
As the credits all roll down  
Cryin', cryin'  
You know we're playing to a full house, house  
No heroes villains want to blame  
While wilted roses fill the stage  
And the thrill, the thrill is gone.  
Our debut was a masterpiece  
But in the end for you and me  
Oh, the show, it can't go on.  
We used to have it all  
But now's our curtain call  
So hold for the applause (woah woah oh oh)  
And wave out to the crowd  
And take our final bow  
Oh, it's our time to go  
But at least we stole the show  
Least we stole the show  
Least we stole the show  
Least we stole the show  
Least we stole the show  
Least we stole the show  
Darlin', darlin'  
You know that we are sold out  
This is fading  
But the band plays on now  
We're crying, crying  
So let the velvet roll down, down.  
No heroes villains want to blame  
While wilted roses fill the stage  
And the thrill, the thrill is gone.  
Our debut was a masterpiece  
Our lines we read so perfectly  
But the show, it can't go on.  
We used to have it all  
But now's our curtain call  
So hold for the applause (woah woah oh oh)  
And wave out to the crowd  
And take our final bow  
Oh, it's our time to go  
But at least we stole the show  
Least we stole the show  
Least we stole the show  
Least we stole the show  
Stole the show

Least we stole the show  
Stole the show  
Least we stole the show
