

I'm Ready

AJR

I'm Ready Are you ready? You're feeling good, you're feeling right
Across the floor, and I'm already losing my mind
Baby girl, looking fine
Watch you playing and playing and playing these guys
Catch my stare, little smile
Tell me that you're ready and you're feeling the vibe
Someday I'll be so damn sublime,
We'll arrive behind a hash-tag sign I won't forget you, but I may...
Forget your name
My lady
I know what you're thinking
When the bass starts ringing
Can you tell me when you're stoked to start?
Are you ready for tonight,
Setting it on fire
And we'll dance until we're dumb in the dark My lady
I know what you're thinking
When the bass starts ringing
Can you tell me when you're stoked to start?
Are you ready for tonight,
Setting it on fire
And we'll dance until we're dumb in the dark Are you ready?
I'm ready
Break me down, dirty jokes
Watch me dear, and say what you wanna know
Beauty lies, within the eyes
Of the beholder, I'll be holding you close all night I won't forget you, but I may...
Forget your name My lady
I know what you're thinking
When the bass starts ringing
Can you tell me when you're stoked to start?
Are you ready for tonight,
Setting it on fire
And we'll dance until we're dumb in the dark My lady
I know what you're thinking
When the bass starts ringing
Can you tell me when you're stoked to start?
Are you ready for tonight,
Setting it on fire
And we'll dance until we're dumb in the dark Are you ready?
I'm ready Break me down, I'm ready, break me down
Break me down, I'm ready, break me down

Break me down, I'm ready, break me down
Break me down, I'm ready, break me down
I won't forget you, but I may...
Forget your name I'm ready Break me down, I'm ready, break me down
Break me down, I'm ready, break me down Are you ready?
