

# Take My Hand

Slushii

[Verse]

I just wanna show you  
The whole world in one night  
We can fly wherever we fight  
And make all our dreams take flight  
If we believe  
(If we believe)  
If you take my hand, we can

[Pre-Drop 1]

Slushii!  
Yeah, I got-got-got that

[Drop 1]

(If we believe)  
Yeah  
(If we believe)  
The avenger may be a perfect stranger

[Verse]

I just wanna show you  
The whole world in one night  
We can fly wherever we fight  
And make all our dreams take flight  
If we believe  
(If we believe)  
If you take my hand, we can

[Pre-Drop 2]

Everything is under control

[Drop]

(Yeah, yeah, yeah, yeah)  
(Yeah, yeah, yeah, yeah)  
(Yeah, yeah, yeah, yeah)  
(Yeah, yeah)  
(If we believe)  
Yeah

[Pre-Drop 1]

Slushii  
Yeah, I got-got-got that

[Drop 1]  
(If we believe)  
The avenger may be a perfect stranger

[Outro]  
What? That's my son!  
I'll be darned, his music place  
Say, it reaches Earth alright  
But imagine  
Television without a transmitter
