

# No One Else

Weezer

[Verse 1]

My girl's got a big mouth  
With which she blabbers a lot  
She laughs at most everything  
Whether it's funny or not  
And if you see her  
Tell her it's over now

[Chorus]

I want a girl who will laugh for no one else  
When I'm away, she puts her makeup on the shelf  
When I'm away, she never leaves the house  
I want a girl who laughs for no one else

[Verse 2]

My girl's got eyeballs  
In the back of her head  
She looks around and around  
You know, it makes me sad to see her like that  
Please don't believe her  
She says that for anyone  
And if you see her  
Tell her it's a hey, hey, hey, hey

[Chorus]

I want a girl who will laugh for no one else  
When I'm away, she puts her makeup on the shelf  
When I'm away, she never leaves the house  
I want a girl who laughs for no one else  
And if you see her  
Tell her it's over now

[Guitar Solo]

[Bridge]

And if you see her  
Tell her it's over now  
And if you watch her go  
Watch her, watch her, watch her, watch her!

[Chorus]

I want a girl who will laugh for no one else  
When I'm away, she puts her makeup on the shelf  
When I'm away, she never leaves the house  
I want a girl who laughs for no one else  
No one else  
Yeah
