

Hard Livin'

Chris Stapleton

[Verse 1]

I used to love to look for a fight
I'd get drunk and shoot out the lights
I was known to get outta hand
A rough and rowdy honky tonk man

[Chorus]

Never thought it would happen to me
But this hard livin' ain't as easy as it used to be

[Verse 2]

I looked a lot, but I've never found
A woman that could settle me down
I been known to have a good time
No, I could never walk the line

[Chorus]

Never thought it would happen to me
But this hard livin' ain't as easy as it used to be

Woo!
