Yellow

Coldplay

Look at the stars

Look how they shine for youAnd everything you do
Yeah, they were all yellowI came along
I wrote a song for youAnd all the things you do
And it was called "Yellow"So, then, I took my turn
Oh, what a thing to've done
And it was all yellow

Your skinOh, yeah, your skin and bones
Turn it into something beautifulAnd you knowYou know I love you so
You know I love you soI swam acrossI jumped across for you
Oh, what a thing to doCause you were all yellow
I drew a lineI drew a line for you
Oh, what a thing to doAnd it was all yellow

Your skin

Oh, yeah, your skin and bones Turn into something beautiful And you know

For you, I'd bleed myself dry For you, I'd bleed myself dry

It's true

Look how they shine for you
Look how they shine for you
Look how they shine for
Look how they shine for you
Look how they shine for you
Look how they shine
Look at the stars

Look how they shine for you And all the things that you do.
