

Never Again

Kelly Clarkson

I hope the ring you gave to her turns her finger green
I hope when your in bed with her
You think of me
I would never wish bad things
But I don't wish you well
Could you tell
By the flames that burned your words I never read your letter
'Cos I knew what you'd say
Give me that Sunday school answer
Try and make it all OK
Does it hurt
To know I'll never be there
Bet it sucks
To see my face everywhere
It was you
Who chose to end it like you did
I was the last to know
You knew, exactly what you would do
And don't say, you simply lost your way
She may believe you but I never will
Never again If she really knows the truth
She deserves you
A trophy wife, oh how cute
Ignorance is bliss
But when your day comes
And he's through with you
And he'll be through with you
You'll die together but alone
You wrote me in a letter
You couldn't say it right to my face
Give me that Sunday school answer
Repent yourself away Does it hurt
To know I'll never be there
Bet it sucks
To see my face everywhere
It was you
Who chose to end it like you did
I was the last to know
You knew, exactly what you would do
And don't say, you simply lost your way
They may believe you but I never will
Never again Never again will I hear you

Never again will I miss you
Never again will I fall to you
NeverNever again will I kiss you
Never again will I want to
Never again will I love you
NeverDoes it hurt
To know I'll never be there
Bet it sucks
To see my face everywhere
It was you
Who chose to end it like you did
I was the last to know
You knew, exactly what you would do
And don't say, you simply lost your way
They may believe you but I never will
I never will
I never willNever again
