

# Nightcall

Kavinsky

I'm giving you a night call to tell you how I feel(We'll go all, all, all night long)

I want to drive you through the night, down the hills

I'm gonna tell you something you don't want to hear

I'm gonna show you where it's dark, but have no fear

There something inside you

It's hard to explain

They're talking about you boy

But you're still the same

There something inside you

Its hard to explain

They're talking about you boy

But you're still the same

I'm giving you a night call to tell you how I feel

I want to drive you through the night, down the hills

I'm gonna tell you something you don't want to hear

I'm gonna show you where it's dark, but have no fear

There something inside you

It's hard to explain

They're talking about you boy

But you're still the same

There something inside you

It's hard to explain

They're talking about you boy

But you're still the same

There something inside you (there something inside you)

It's hard to explain

(it's hard to explain)

They're talking about you boy

(they're talking about you boy)

But you're still the same
