Alive

Krewella

Let's make this fleeting moment last forever So, tell me what you're waiting for? I'm gonna keep it frozen here forever There's no regretting anymore It's worth the wait, even so far away I'm making the night mine, until the day I die No light to break, when you're hanging by fate You know what it feels like, when you're dancing blindAll alone, just the beat inside my soul Take me home, where my dreams are made of gold In the zone, where the beat is uncontrolled I know what it feels like Come on, make me feel alive Feel alive, feel alive Feel alive, feel alive Feel alive, feel alive Alive alive Meet me under shining lights I've been waiting right here all my life Feelings, you can't deny that you're living, open up your eyes And I just wanna sink into your crazy laughter Come on, make me feel, until the pain don't matterEvery second here makes my heart beat faster Finally think I found what I'm chasing afterAll alone, just the beat inside my soul Take me home, where my dreams are made of gold In the zone, where the beat is uncontrolled I know what it feels like Come on, make me feel alive Feel alive, feel aliveFeel alive, feel alive Feel alive, feel alive Alive alive alive All alone, just the beat inside my soul Take me home, where my dreams are made of gold In the zone, where the beat is uncontrolled I know what it feels like Come on, make me feel alive! Feel alive, feel alive Feel alive, feel alive Feel alive, feel alive Alive alive alive... I know what it feels like Come on, make me feel alive! Feel alive, feel alive Feel alive, feel alive Feel alive, feel alive
