

# Caught in the Middle

Charli XCX

Our hearts got caught in the middle,  
Caught in the middle of love!  
Our hearts got caught in the middle,  
Caught in the middle of love! Took a plane at five  
Flew across the world,  
I'm the other girl  
The one who's in your head  
Laid there by your side  
In the city lights, naked in the lights  
Hiding secrets in your bed  
'Cause we try to turn around,  
but we can't stop it now  
Our hearts got caught in the middle,  
Caught in the middle of love  
Got stuck on my mind  
Push restart, press rewind  
Our hearts got caught in the middle,  
Caught in the middle of love!  
Our hearts got caught in the middle,  
Caught in the middle of love! Lost inside the line  
Step across the room, almost fallin' through  
Never made the same mistake  
Harder every time  
Wish we could be true,  
Always wanted you  
We gotta stay a mystery  
Oh, I'm caught in the middle,  
Caught in the middle of  
'Cause we try to turn around,  
but we can't stop it now  
Our hearts got caught in the middle,  
Caught in the middle of love  
Got stuck on my mind  
Push restart, press rewind  
Our hearts got caught in the middle,  
Caught in the middle of love!  
Our hearts got caught in the middle,  
Caught in the middle of love! Oh, I'm caught in the middle,  
I'm caught in the middle of  
Oh, I'm caught in the middle,  
I'm caught in the middle of  
Oh, I'm caught in the middle,

I'm caught in the middle of  
Oh, I'm caught in the middle,  
I'm caught in the middle of 'Cause we try to turn around,  
but we can't stop it now  
Our hearts got caught in the middle,  
Caught in the middle of love  
Got stuck on my mind  
Push restart, press rewind  
Our hearts got caught in the middle,  
Caught in the middle of love!  
Our hearts got caught in the middle,  
Caught in the middle of love! Our hearts got caught in the middle,  
Caught in the middle of love!
