

O'Lord

Lauren Daigle

Whoa
Whoa
Whoa Though at times it seems like I'm coming undone
This walk can often feel lonely
No matter what until this race is won I will stand my ground where hope can be found
I will stand my ground where hope can be found Oh
O'Lord, O'Lord, I know You hear my cry
Your love is lifting me above all the lies
No matter what I face, this I know in time
You'll take all that is wrong and make it right
You'll take all that is wrong and make it right
Your strength is found at the end of my road
Your grace, it reaches to the hurting Still through the tears and the questioning why,
I will stand my ground where hope can be found!
I will stand my ground where hope can be found! Oh
O'Lord, O'Lord, I know You hear my cry
Your love is lifting me above all the lies
No matter what I face, this I know in time
You'll take all that is wrong and make it right
You'll take all that is wrong and make it right I will stand my ground where hope can be found
I will stand my ground where hope can be found
I will stand my ground where hope can be found!
I will stand my ground where hope can be found!
Oh!
O'Lord, O'Lord, I know You hear my cry
Your love is lifting me above all the lies
No matter what I face, this I know in time
You'll take all that is wrong and make it right
You'll take all that is wrong and make it right
Make it right
Make it right
