

You Would Know

Queens of the Stone Age

[Verse 1]

Me just happy robot
Live on hill of beans
You and I cut from same cloth
Ripping at the seams
Cut, snip, cut

[Verse 2]

Don't forget to remember
The devil's got pills in his eyes
Look, laugh, but don't touch
Cut you down to size
Cut up, cut (shut up)
Cut up, cut

[Chorus]

You would know

[Verse 3]

My girl's all out of focus
It ain't no big surprise
Daddy got his gun loaded
Got cross hairs in his eyes
Shut up, oh
Shut up, oh

[Chorus 2]

[illegible]

You would know
You would know
You would know
You would know
You would know
