

# Like I Can

Sam Smith

He could be a sinner, or a gentleman  
He could be your preacher, when your soul is damned  
He could be your lawyer on a witness stand, but  
He'll never love you like I can, canHe could be a stranger, you gave a second glance  
He could be a trophy, of a one night stand  
He could have your humour, but I don't understand 'cause  
He'll never love you like I can, can, canWhy are you looking down on the wrong road  
Mine is the heart, and the soul of this song  
There may be lovers who hold out their hands but  
He'll never love you like I can, can, can  
He'll never love you like I can, can  
A chance encounter of circumstance  
maybe, he's a mantra, keeps your mind entranced  
He could be a silence in this mayhem, but then again  
He'll never love you like I can, can, canWhy are you looking down on the wrong road  
Mine is the heart, and the soul of this song  
There may be lovers who hold out their hands but  
He'll never love you like I can, can, can  
He'll never love you like I can, can, canHe'll never love you like I can, can, can  
We both have demons, that we can't stand  
I love your demons, like devils can  
If you're still seeking an honest man  
Stop deceiving, Lord, please  
Why are you looking down on the wrong road  
Mine is the heart, and the soul of this song  
There may be lovers who hold out their hands but  
He'll never love you like I can, can, can  
He'll never love you like I can, can, can  
He'll never love you like I can, can, can
