

When You Look Me in the Eyes

Jonas Brothers

If the heart is always searching,
Can you ever find a home?
I've been looking for that someone,
I'll never make it on my own.
Dreams can't take the place of loving you,
There's gotta be a million reasons why it's true
When you look me in the eyes,
And tell me that you love me.
Everything's alright,
When you're right here by my side.
When you look me in the eyes,
I catch a glimpse of heaven.
I find my paradise,
When you look me in the eyes.
How long will I be waiting,
To be with you again
Gonna tell you that I love you,
In the best way that I can.
I can't take a day without you here,
You're the light that makes my darkness disappear.
When you look me in the eyes,
And tell me that you love me.
Everything's alright,
When you're right here by my side.
When you look me in the eyes,
I catch a glimpse of heaven.
I find my paradise,
When you look me in the eyes.
More and more, I start to realize,
I can reach my tomorrow,
I can hold my head up high,
And it's all because you're by my side.
When you look me in the eyes,
And tell me that you love me.
Everything's alright,
When you're right here by my side.
When I hold you in my arms
I know that it's forever
I just gotta let you know
I never wanna let you go
Cause when you look me in the eyes.
And tell me that you love me.

Everything's alright,
When you're right here by my side.
When you look me in the eyes,
I catch a glimpse of heaven.
I find my paradise,
When you look me in the eyes.
