

# Never Ever

## All Saints

A few questions that I need to know  
How you could ever hurt me so  
I need to know what I've done wrong  
And how long it's been going on  
Was it that I never paid enough attention?  
Or did I not give enough affection?  
Not only will your answers keep me sane  
But I'll know never to make the same mistake again  
You can tell me to my face or even on the phone  
You can write it in a letter, either way, I have to know  
Did I never treat you right?  
Did I always start the fight?  
Either way, I'm going out of my mind  
All the answers to my questions  
I have to find  
My head's spinning  
Boy, I'm in a daze  
I feel isolated  
Don't wanna communicate I'll take a shower, I will scour  
I will rub  
To find peace of mind  
The happy mind I once owned, yeah Flexing vocabulary runs right through me  
The alphabet runs right from A to Z  
Conversations, hesitations in my mind  
You got my conscience asking questions that I can't find I'm not crazy  
I'm sure I ain't done nothing wrong, no  
I'm just waiting  
Cause I heard that this feeling  
Won't last that long  
Never ever have I ever felt so low  
When you gonna take me out of this black hole?  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad Never ever have I had to find  
I've had to dig away to find my own peace of mind  
I've never ever had my conscience to fight  
The way I'm feeling, yeah, I just don't feel right I'll keep searching  
Deep within my soul  
For all the answers  
Don't wanna hurt no more I need peace, got to feel at ease  
Need to be  
Free from pain - going insane  
My heart aches, yeah Sometimes vocabulary runs through my head

The alphabet runs right from A to Z  
Conversations, hesitations in my mind  
You got my conscience asking questions that I can't find I'm not crazy  
I'm sure I ain't done nothing wrong  
I'm just waiting  
Cause I heard that this feeling won't last that long Never ever have I ever felt so low  
When ya gonna take me out of this black hole?  
Never ever have I ever felt so sad  
The way I'm feeling yeah, you got me feeling really bad Never ever have I had to find  
I've had to dig away to find my own peace of mind  
I've never ever had my conscience to fight  
The way I'm feeling, yeah, I just don't feel right You can tell me to my face  
You can tell me on the phone  
Uh, you can write it in a letter, babe  
Cause I really need to know You can write it in a letter, babe  
You can write it in a letter, babe
