

# Firestone (feat. Conrad Sewell)

Kygo

I'm a flame, you're a fire  
I'm the dark in need of light  
When we touch, you inspire  
Feel the change in me tonight So take me up, take me higher  
There's a world not far from here  
We can dance in desire  
Or we can burn in love tonight Our hearts are like firestones  
And when they strike, we feel the love  
Sparks will fly, they ignite our bones  
But when they strike, we light up the world Our hearts are like firestones  
And when they strike, we feel the love  
Sparks will fly, they ignite our bones  
But when they strike, we light up the world  
We light up the world  
We light up the world Oh, whoa  
Whoa  
Oh, whoa  
Firestone I'm from X, you're from Y  
Perfect strangers in the night  
Here we are, come together  
To the world we'll testify Our hearts are like firestones  
And when they strike, we feel the love  
Sparks will fly, they ignite our bones  
But when they strike, we light up the world We light up the world  
Oh, whoa  
Whoa  
Oh, whoa
