Some saw the sun Some saw the smoke Some heard the gun Some bent the bowSometimes the wire Must tense for the note Caught in the fire, say ohWe're about to explode Carry your worldI'll carry your world Carry your world I'll carry your world Some far awaySome search for gold Some dragon to slayHeaven we hope is just up the road Show me the way Lord 'Cause I, I'm about to explode Carry your world I'll carry your world Carry your world I'll carry your world Carry your world and all your hurt Carry your world Song Discussions is protected by U.S. Patent 9401941.
