

# Just for Now

Kelly Clarkson

Just for now  
Just for now  
It's that time of year  
Leave all our hopelessness's aside  
If just for a little while  
Tears stop right here,  
I know we've all had a bumpy ride  
I'm secretly on your side How did you know  
It's what I've always wanted  
Could never have had too many of these  
Will you quit kicking me under the table  
I'm trying, will somebody make her shut up about it  
Can we settle down please  
It's that time of year  
Leave all our hopelessness's aside  
If just for a little while  
Tears stop right here  
I know we've all had a bumpy ride  
I'm secretly on your side  
Bite tongue  
Deep breaths  
Count to ten  
Nod your head I think something is burning  
Now you've ruined the whole thing  
Muffle the smoke alarm  
Whoever put on this music  
Better quick sharp remove it  
Pour me another  
Oh, don't wag your finger at me It's that time of year  
Leave all our hopelessness's aside  
If just for a little while  
Tears stop right here  
I know we've all had a bumpy ride  
I'm secretly on your side  
Get me, get me outta here  
Get me, get me outta here... Just for now...  
Please
