

Can't Get Enough of You Baby

Smash Mouth

[Pre-Chorus]

I can't get enough of you, baby

I can't get enough of you, baby

Yes, it's true

Baby, yes, it's true

[Chorus]

Whenever we kiss

I get to feeling like this

I get to wishing that there was two of you

[Verse 1]

My heart cries out

Woo, baby

It feels so nice

I want your arms to wrap around me twice

[Pre-Chorus]

I can't get enough of you baby

I can't get enough of you baby

Right or wrong

Baby, right or wrong

[Bridge]

When you had to go

I hated the thought

I always wish the night was twice as long

[Verse 2]

My heart cries out more, baby

I love you so much

I wish that there was more of you to touch

[Pre-Chorus]

I can't get enough of you baby

I can't get enough of you baby

Right or wrong

Baby, right or wrong

[Bridge]

When you had to go
I hated the thought
I always wish the night was twice as long

[Outro]

I can't get enough of you, baby
Can't get enough of you, baby
I can't get enough of you, baby
Can't get enough of you, baby
I can't get enough of you, baby
Can't get enough of you, baby
I can't get enough of you, baby
Can't get enough of you, baby
I can't get enough of you, baby
