

Wow, I'm Not Crazy

AJR

Im not crazy oh oh oh im not crazy oh oh oh i always thought i did stuff dumb but now i have
figured out that im not crazy oh oh oh im not crazy oh oh oh yeah im not crazy oh oh oh Way

up, way up we go

Been up and down that road

Way up, way up, oh no Watch me sta

nd in the line You're only serving lies

You've got something to hide Yeah, used to let it go

Walk into the show

Gawking at the tricks up your sleeve

Too good to be true

Fool, I'm in a room

Full of entertainers and thieves

Used to let it go

Woah, oh no

Way up, way up we go

Been up and down that road

Way up, way up, oh no Im not crazy.
