

Words I Never Said (feat. Skylar Grey)

Lupe Fiasco

It's so loud inside my head
With words that I should have said
As I drown in my regrets
I can't take back the words I never said
I can't take back the words I never said I really think the war on terror is a bunch of bullshit
Just a poor excuse for you to use up all your bullets
How much money does it take to really make a full clip?
9/11, Building 7, did they really pull it? Uh, and a bunch of other cover ups
Your child's future was the first to go with budget cuts
If you think that hurts them, wait, here comes the uppercut
The school was garbage in the first place, that's on the up and up
Keep you at the bottom, but tease you with the upper crust
You get it, then they move it, so you never keeping up enough
If you turn on TV, all you see's a bunch of what-the-fucks
Dude is dating so-and-so, blabbering 'bout such and such And that ain't Jersey Shore, homie
that's the news
And these the same people supposedly telling us the truth
Limbaugh is a racist, Glenn Beck is a racist
Gaza Strip was getting bombed, Obama didn't say shit That's why I ain't vote for him, next one
either
I'm a part of the problem, my problem is I'm peaceful
And I believe in the people
Yeah It's so loud inside my head
With words that I should have said
As I drown in my regrets
I can't take back the words I never said
Now we can say it ain't our fault if we never heard it
But if we know better, then we probably deserve it
Jihad is not a holy war, where's that in the worship?
Murdering is not Islam, and you are not observant And you are not a Muslim
Israel don't take my side, 'cause look how far you've pushed them
Walk with me into the ghetto, this where all the kush went
Complain about the liquor store, but what you drinking liquor for? Complain about the gloom,
but when'd you pick a broom up?
Just listening to Pac ain't gon' make it stop
A rebel in your thoughts, ain't gon' make it halt
If you don't become an actor, you'll never be a factor Pills with million side effects, take 'em
when the pain's felt
Wash them down with diet soda, killin' off your brain cells
Crooked banks around the world would gladly give a loan today
So if you ever miss payment they can take your home away It's so loud inside my head
With words that I should have said

As I drown in my regrets
I can't take back the words I never said, never said
I can't take back the words I never said I think that all the silence is worse than all the violence
Fear is such a weak emotion, that's why I despise it
We scared of almost everything, afraid to even tell the truth
So scared of what you think of me, I'm scared of even telling you Sometimes I'm like the only
person I feel safe to tell it to
I'm locked inside a cell in me, I know that there's a jail in you
Consider this your bailing out, so take a breath, inhale a few
My screams is finally getting free, my thoughts is finally yelling through It's so loud inside my
head
With words that I should have said
As I drown in my regrets
I can't take back the words I never said
