

Loyal

Lauren Daigle

I could never earn Your heart
I could never reach that far
But You have pulled me close
You've never let me go
I'm safe forever in Your arms
Your promises I can not break
And I know You will never change Your love is, Your love is
Your love is loyal
Your love is, Your love is
Your love is loyal
More faithful than the rising sun
This grace for me I can't outrun
Your love is, Your love is
Your love is loyal
You are always there for me
You listen every time I speak
You look into my eyes
You see the things I hide
And say that You will never leave
Your promises I can not break
And I know You will never change Your love is, Your love is
Your love is loyal
Your love is, Your love is
Your love is loyal
More faithful than the rising sun
This grace for me I can't outrun
Your love is, Your love is
Your love is loyal
When my world shakes
Your love remains unshaken
So constant, so perfect, unwavering
When my world falls
Your love remains unfailing
So constant, so perfect, unwavering
So constant, so perfect, unwavering Your love is, Your love is
Your love is loyal
Your love is, Your love is
Your love is loyal
Your love is, Your love is
Your love is loyal
More faithful than the rising sun
This grace for me I can't outrun

Your love is, Your love is
Your love is loyalLoyal
