

Fragile

Kygo & Labrinth

Crazy to think, that a men can't hurt.
Love takes its toll every time and don't work.
When a door closes, another opens
but it's hard to let go when your heart's broken.
I give you my trust, can you give me your word?
Come take my heart of Glass give me your Love.
I hope you'll still be there to pick the pieces up.
Baby you're fragile, fragile, fragile
Baby you're fragile, fragile, fragile
After he left you and ten times ten
Could I put you back together again? Yeah
When a door closes and another opens
But I won't let go cause I'm not like him
Baby just say the words, let the love begin
Come take my heart of glass and give me your love
I hope you'll still be there to pick the pieces up
Cause baby I'm fragile, fragile, fragile
Cause baby I'm fragile, fragile, fragile
Oh oh oh oh, oh oh oh oh oh
Yeah, you will take yours and mine
I got your heart of glass and you've got my love
I know we'll still be there to pick the pieces up
Cause baby we're fragile, fragile, fragile
Cause baby we're fragile, fragile, fragile
Oh oh oh oh, oh oh oh oh oh yeah
oh yeah oh yeah oh yeah
oh yeah oh yeah oh yeah
oh yeah oh yeah
